WED @ SOUTH YARRA

Brunette beauty **Jodhi Meares** is no birdbrain, adding "lifestyle collaborator" to her CV.

The former *Australia's Next Top Model* host fronted intimate drinks at the display suite she styled to spruik the \$140 million Clara residential development in South Yarra.

The Sydneysider's fancy title – created especially for her – involves her advising on the interior design of the townhouses and villas, and the interplay between indoor and outdoor spaces.
